MISS BROWN’S COUNTERPANE
LACE INSERTION

A knitting pattern

This insertion strip was originally published as
“Linen Counterpane: Prize Article” in Barbour's
Prize Needle-Work Series: A Treatise on Lace-
Making, Embroidery and Needlework with Barbour's
Irish Flax Thread, Book No. 3 - 1894, Second
Edition. Boston: The Barbour Brothers Company,
1895.

This pattern was attributed to Miss M.S. Brown of
30 Mt. Pleasant Street, Woburn, Massachusetts,
and was a prize winner in an 1894 Barbour's
contest for original designs. It was designed for use
with a companion edging. The counterpane was
intended to be formed from hemmed linen squares
framed by a lattice-like arrangement of short
lengths of this insertion, with the whole thing
trimmed in the deep flounce lace edging.

The instructions specified #19 steel needles and
"Barbour’s flax thread, 3-cord, 200-yards spools" to
make the spread. I haven't been able to figure out
the quantity or thread size from that description.
(Kate Armfield suggested "...3 cord would be a nice
rounded thread whatever the actual size…I have
knitted with a Belgian linen lace thread described
as size 16 or maybe 24 which might do for your
lace...") The sample pictured here and in the
thumbnail on the index page was knit and
photographed by Donna M. Hrynkiw, an avid lace
knitter and all-around nifty person, who has been
active in the on-line knitting community since the
Internet crawled up on land from the primordial
seas.

4. K3, o, n, o, n, k3, n, o, n, k1, o, n, k1

6. K3, o, n, k2, o, n, sl and b, o, k4, o, n, k1

Notes
I tried the n, sl and b double decrease as described in row 6 of the original (k2tog, slip one stitch as if to knit, then pass the previous loop - formed by the K2tog - over the slipped loop). It leaves a large thrown thread on the back that mars the symmetry of the central diamond. Although the original engraving accompanying the instructions seems to show this loop, I preferred the look of a sssk decrease instead.

Special Instructions
These abbreviations and symbols are used in this pattern.

YO Yarn over - Make an eyelet increase by laying the yarn on top of the needle.
K2tog Knit two together - Knit the next two stitches together
Slip, slip, slip, knit - Make a two-stitch decrease that slants to the left by slipping the next stitch purlwise, and the the next stitch SSSK knitwise, and the stitch after that knitwise. Return all three stitches to the other needle, then knit them together through the back of the loop.
