

FLYING SPAGHETTI MONSTER

A graphed pattern

The gauntlet was thrown. I was challenged to produce a chart for The Flying Spaghetti Monster, in all his noodly glory. At the risk of destroying any crumbs of credibility I might have as researcher, I respond.

This motif is 28 stitches wide and 27 stitches tall.
For best results, please take time to confirm all stitch and row counts.
This is an original pattern with no historical source or precedent.
